

# CONCERT

**Attn. Parents \*\*\* MARK YOUR CALENDARS\*\*\***

The **3rd Annual K-4 Curriculum & Concert Night** scheduled for **Thursday, May 2nd** in the THS auditorium is fast approaching! Students are working hard to be ready and are excited to share this evening of music and song with you!

Some of you may still be wondering what a "Curriculum & Concert" night will entail. Simply put, students at each grade level will provide a musical snapshot or two of what, and how, they've been learning considering what's current in music education and required by State Standards (the curriculum portion). In addition, students will be presenting the audience with an entertaining song or two intended for performance purposes (the concert part). There will be lots of movement, as well as a variety of pitched and unpitched percussion instruments accompanying many of the songs.

As most of you know, our auditorium has seen recent improvements. The good news is, we now have new and much more comfortable chairs...the bad news is, there are not nearly as many as before. What this means is seating could be a bit tricky. To solve this rather "nice problem" we are again dividing the evening by grade level into two groups with a coffee and cookie Intermission served in the cafeteria between groups. Additionally, a "special plus", Mrs. Gahan will be displaying student Art work for you to enjoy during this time. This approach to the evening will allow parents with only younger children to get their kiddos home a little earlier, freeing up seating for those parents with only older children. Hopefully this transition time, allowing some folks to leave as others arrive, will provide enough chairs so there will be seating for everyone!

The schedule will be as follows...

6:00 – 6:45 ----- Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade students will perform

6:45 – 7:15 ----- INTERMISSION (cookies & coffee served in the cafeteria – Art work on display)

7:15 – 8:00 ----- 3<sup>rd</sup> and 4<sup>th</sup> grade students will perform

**So again, mark your calendars! We look forward to seeing you on May 2nd!!!**

Mrs. Potadle  
K-4 General/Vocal Music Specialist
