Kids Heart Challenge

Please see the attached note about the Kids Heart Challenge and how you can help us earn \$300 for our school! (No donations are required to help us reach this goal.)

Community Health Survey

The Elkhorn Logan Valley Public Health Department, along with the hospitals in our service area, is conducting an online Community Health Survey. The survey is completed every three years and it is for all adults (ages 19 and over) who live and work in Burt, Cuming, Madison and Stanton counties to give their input on health matters that are important to them. The data from the survey is then compiled and used to set the priorities for the health department on which initiatives and activities will best serve the health needs of our service area. The survey will be available until March 1, 2019, and can be taken by clicking on the link below:

<https://www.surveymonkey.com/r/7WSXNQC>

The survey will take approximately 20 minutes to complete. Paper copies are available by calling (877) 379-4400. Residents of Burt, Cuming, Madison and Stanton counties who take the survey can choose to be entered in a drawing for a \$200 grocery gift certificate at the end of the survey (one gift certificate in each of the four counties).

Open Gym

The Tekamah-Herman gym will be open to elementary students from 1:00-2:15 p.m. on the following Sundays:
February 17th and 24th

It's cold outside!

Please consider the weather when sending your children to school each day, and ensure that they are wearing **coats, sweatshirts, gloves** and **hats** when appropriate. Students will go outside for recess unless it is raining or the "feels like" temperature is below 10° Fahrenheit.

Health Reminders

Students who exhibit a fever of 100 degrees Fahrenheit or higher shall not be permitted to attend school until they have been fever free without medication for 24 hours.

Announcements/Reminders

- Remember to support our PTO by choosing them as your charitable organization on Amazon Smile. ☺ Contact Connie Jarzynka at cjarzynka4@gmail.com if you have questions.
- If you pick up your child on 'N' Street after school, please remember to stay in your vehicle or find a side street/parking stall. When vehicles are parked and left along 'N' Street, traffic flow is interrupted.
- Elementary children who ride home with junior high/high school siblings are to wait in the cafeteria until 3:45 each day. This ensures that all children are safe and supervised. Thank you for your understanding.
- **Celebrate good behavior and effort!** Talk with your child each day to celebrate PAWsitve choices. Teachers often write notes in daily planners to explain why students earn purple or red.
- Send Box Tops to school with your child anytime!
