

Driver Ed Students and Parents,

This is the tentative driving schedule for this summer. Please check activities your son/daughter, and then on Monday, they can begin signing up for driving times this summer.

Your son/daughter will need their permit to be able to drive this summer. They need to be at the school 5 minutes before their scheduled driving time. If you are late, you will be left, and will pay for the time you need to make-up at a rate of 20.00 per hour. If you miss a driving time, you will need to pay for the time you need to make-up, at a rate of 20.00 an hour. We will leave from the NORTH side of the school, by the high school library. We will not drive on the weekends.

I expect students to behave themselves while in the car. Any behavior that puts others in danger will not be tolerated! If this becomes a problem, you will not be able to drive until I have contacted your parents. My attention needs to be with the driver, not with the passengers.

We will drive in Tekamah, Blair, Omaha, and Fremont. They will drive on the interstate, and on country roads. Along with learning how to drive a car properly, we will learn how to change tire, check oil and other fluids in the car, and how to park properly.

Students will schedule a time to take the drive test, and if you fail the drive test, we will set up for another date and time to drive. Three failed driving tests, and the student will have to wait 90 days to take another drive test. After passing the drive test, your son/daughter will be able to apply for their license on line from the DMV. Most insurance companies have a 10 % discount for successfully completing the Driver Ed course. That is passing the class, getting at least an 80% on the manual test, and pass the driving test.

If you have any questions, please contact me at 1-402-640-4315.

Remember, driving is a privilege! Not a right.

STAN MENCKE
